

J.C. STROBLE GLAUCOMA
AWARENESS FOUNDATION

FIGHT-4-SIGHT

September 1, 2009

Dear Friend,

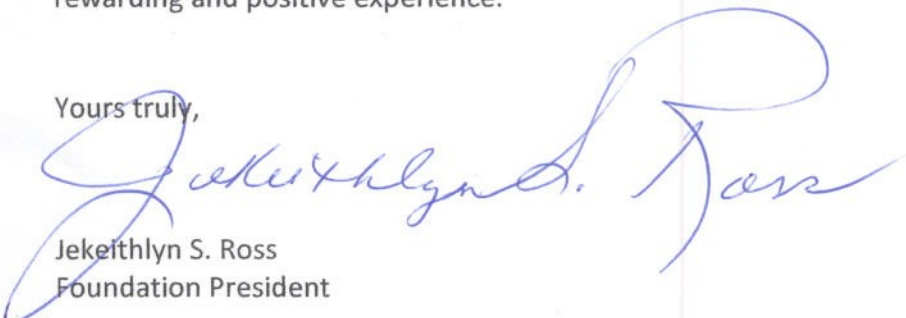

It is time for the 2009 J. C. Stroble Glaucoma Awareness Foundation Walkathon. This year the J. C. Stroble Glaucoma Awareness Foundation is being spotlighted as part of the Mayor's Walk for Disabilities. The J. C. Stroble Glaucoma Awareness Foundation (JCSGAF) appreciates support such as yours to make this event a success. The walkathon will be held on Saturday, October 24, 2009, from 8:00 a.m. – 1:00 p.m. The walk itself will be from Barnet Park to Wofford College (Snyder Soccer Field). Beginning at 8:45, there will be entertainment, health screenings, food and a meaningful program at Wofford.

The focus of the J. C. Stroble Glaucoma Awareness Foundation is to ultimately decrease the number of people with undiagnosed glaucoma by promoting early detection, assisting patients in finding proper medical care for glaucoma, educating the public on glaucoma and other ocular conditions, and overcoming existing health disparities in our community. The Foundation is proud to announce that we have already begun to accomplish one of our goals—to bring research closer to local communities. This summer the J. C. Stroble Glaucoma Awareness Foundation received a research grant through the Spartanburg Regional Healthcare System Foundation to conduct research on glaucoma and other ocular diseases in Spartanburg County and the upstate of SC. The Foundation is partnering with the healthcare community to address the challenges of those with glaucoma.

For more information, see our web site www.jcstroblefoundation.org or contact our office at 864-585-5030 or 864-266-8406. The J. C. Stroble Glaucoma Awareness Foundation is a component fund under The Spartanburg County Foundation. Tax deductible donations can be sent to The J. C. Stroble Glaucoma Awareness Foundation, P. O. Box 2202, Spartanburg, SC 29304. Make checks payable to The Spartanburg County Foundation/JCSGAF.

It is our belief that your partnership with the J. C. Stroble Glaucoma Awareness Foundation will be a rewarding and positive experience.

Yours truly,

Jekeithlyn S. Ross
Foundation President
